PARENT/STUDENT HANDBOOK

**Mission Statement for
The Archdiocese of Kansas City
In Kansas**

The mission of our Catholic School System in the Archdiocese of Kansas City in Kansas, in partnership with the family and Church, is to assure that our students will be actively helped to come to know Christ and lovingly helped to become active, loyal members of the Catholic Church. Within our community of faith, students will develop a Catholic value structure and learn to contribute positively to Church, parish and society as witnessed by leadership and service. Through a well-balanced curriculum emphasizing mind, body and spirit, each student will have the necessary tools to master academic, social and technological skills and develop the cultural appreciation needed for success and lifelong learning.

**Mission & Vision Statement for Sacred Heart
Catholic School**

Preparing minds for the future, Souls for eternity.

Sacred Heart School, in cooperation with parents and the parish community, is committed to providing a quality educational environment which allows all students to maximize their potential spiritually, academically, physically and socially to become productive, faith-filled citizens.

Safety Policy

The following policy is established to help ensure our children's safety at Sacred Heart School. Anyone who is not a Sacred Heart student or Sacred Heart parish/school staff member intending to work or visit anywhere in the school property is required to check-in at the school office and sign a Confidentiality Agreement Form.

In accordance with Archdiocesan policy, and to provide a safe environment for our children, Virtus training is required for all adults who volunteer in our school and classrooms. This includes field trips, class parties, joining your child for lunch, as well as other school activities.

We want 100% of the parents at our school to be VIRTUS trained. The VIRTUS program assists our school in being a safe haven for children. Maximizing a school's role as a child-safe environment begins with making adults more aware of the ways children and adults interact with each other. The VIRTUS program educates and trains adults about the dangers of abuse, the warning signs of abuse, the ways to prevent abuse, the methods of properly reporting suspicions of abuse, and responding to allegations of abuse. Our front office will verify that you have been VIRTUS trained when you sign-in. Those who choose not to become certified will not be allowed to volunteer in the classroom or enter the school building without a school escort. If you are not VIRTUS trained, you can start the process by visiting www.virtus.org and signing up for a training session. Please join us in building a child safe community.

If you have any other questions regarding VIRTUS, please contact Tracie Kersey at 422.5520 x 202 or Tracie.kersey@shoj.org.

All visitors will be required to sign in at the front office and wear a visitor badge. In order to receive your visitor's badge, you must be on the list of Virtus-trained adults. All staff members will strictly enforce this policy during school hours, 7:45 a.m. until 3:15 p.m.

Covenants

A commitment of support from the school and parish community is essential to fulfill the purpose and goals of our mission. To this end, all teachers, students, and parents will be expected to enter into the following covenants:

Student Covenant

As a student in a Catholic school, I am blessed to be given the opportunity to be educated both spiritually and academically. I understand that my parents have made this choice for me because of their love and concern for me. In order to show my cooperation, support and thankfulness I will:

- Show proper respect for all adults and students regardless of their individual differences.
- Respect myself by always doing my best and by assuming complete responsibility for my actions without making excuses.
- Respect our school property as well as the property of all persons in the school.
- Display proper manners and courteous actions at all times.
- Obey all rules including the Golden Rule which calls me to love my neighbor as myself.
- Be honest, do my own work, and not share my work with other students or ask others to share their work with me.
- Come to class on time ready to learn.
- Complete my homework on time, and do my best every day.
- Participate fully in Mass by singing, responding, and displaying prayerful, reverent actions.
- Recognize the sacrifices my parents make to provide me with a Catholic education and thank them not only in word but through my efforts and actions.
- Always be a good and holy example for all other students.

Parent Covenant

As my child's most important educator, I understand that I teach my child best by my own example of responsibility, reverence, and respect. I ask Sacred Heart School to assist me in forming my child as a Disciple of Jesus Christ. I understand that my child's teacher is a dedicated professional who makes many sacrifices to teach in a Catholic school. In order to show my cooperation, support, and gratitude I will:

- Set a good example in my own speech and behavior.
- Ensure that we pray daily as a family and attend Mass on weekends and Holy Days of Obligation.
- Have my child in school on time with the necessary school supplies and in compliance with the school dress code.

- Not tolerate vulgar or disrespectful language from my child or bullying, violent, or aggressive behavior.
- Show respect for the teacher and any other adult in authority in the presence of my child or other students, regardless of what I think of their actions or say to them in private.
- Never be dishonest in order to protect my child from the consequences of his or her behavior.
- Offer my child academic guidance and support at home, but will make sure that all projects and assignments fairly represent his or her own work and ideas.
- Help dispel rumors by going through the proper channels when I have a problem.
- Speak to the teacher or adult in authority before I accept my child's version of an incident.
- Follow the school's rules, calendar, and deadlines, and expect my child to do the same, even when I might disagree.
- Fulfill my tuition and fundraising obligations in a timely manner.
- Make every effort to assist my child in living up to the Sacred Heart School Student Covenant.
- Directly supervise my child at all times when we are in the Sacred Heart building. During these times I will ensure that my child and I follow the rules of conduct for the building and exhibit, by our actions, the proper respect for the building, its contents, and its people.
- Encourage independence by allowing my child to walk to and from his/her locker and classroom at the start and end of the day on his/her own.

Teacher Covenant

As a teacher at Sacred Heart of Jesus Catholic School, I accept the responsibility of cooperating with parents in the spiritual, emotional, and academic development of their children. I believe that my mission is to form Disciples of Christ. In order to accomplish this mission will:

- Make extra efforts to get to know my students personally, and listen to them.
- Be a Christian role model in thought, word, and action.
- Be respectful to my students and demand that they show proper respect to me and all other people while under my supervision.
- Challenge and engage my students every day.
- Plan well and be prepared for every class.
- Keep my students safe from harassment of every kind.
- Be fair and consistent in discipline and set clear standards of behavior.
- Develop in my students the social and academic skills needed to solve problems.
- Embrace the differences in my students and guide them in their acceptance of others.
- Be respectful to the parents of my students, develop good communications with them, and continue to build trusting relationships.
- Always show respect towards fellow teachers, especially in the presence of students, and solve all differences in a peaceful and professional manner.
- Never discuss the behavior or performance of an individual student in the presence of other students, or in the presence of adults who are not the parents of that student, or other adults who do not have an educational need to know.
- Abide by and enforce all Sacred Heart School policies and procedures, even though I may not agree with them.

Vatican Council II Documents Christian Education

Knowing that example speaks louder than words, it is important to keep in mind that it is a parental responsibility to give witness to Christian values. In addition to example, other responsibilities are:

- To encourage your child to obey the regulations and principles of good behavior;
- To provide adequate places for study and encourage completion of assignments;
- To encourage the development of your child's individual talents and interests;
- To build religious celebration and family prayer into your daily life;
- To keep the school informed of special needs of your child;
- To read all communication sent to the home by the school;
- To attend conferences and to request additional information as needed;
- To support the regulations within this handbook.

Lines of Communication

Teachers have the general responsibility for the students in their classes. If you have any question or concern regarding your child's progress, grades, attitudes or social conduct, please contact his/her teacher immediately. Any parent who has a concern about a school policy, or cannot resolve a concern for his/her child through the teacher, should call the school office for an appointment with the principal.

Distribution of Information

A weekly newsletter will be distributed on Fridays throughout the school year and will be published on the school web site at <http://school.shoj.org>. All parish and school groups are welcome to use this publication as a means of reaching school families. Articles or flyers must be submitted by noon on Thursday and **must be approved by the Principal**. Other communication such as flyers, etc. will be sent home on Fridays as well.

Parent Teacher Organization (PTO) Fundraising

The primary objectives of the PTO are to support, sponsor, and maintain activities and programs that assist the school in achieving its spiritual, scholastic, and administrative objectives. It does not have the authority to dictate policy, teaching methods/styles, and/or curriculum. The PTO Ministry and its standing committees sponsor all school fundraisers, room mother activities, and school parties.

Sacred Heart School is a parish school that is supported by the parish community and tuition. PTO is part of the overall parish budget that helps subsidize the school.

It is an expectation that when you become part of our school community, you become involved in your PTO by helping in any way you can. It is an expectation that when you become part of our school community, you become involved in your PTO by helping in any way you can. Not only does your personal involvement in these fundraising activities contribute

to the overall success of the particular fundraising activity, but also affords you the opportunity to become involved as you extend yourself to other members of the school community.

Required fundraisers Each family is required to participate in two mandatory fundraisers and sell the number of items set by the PTO committee. You may also choose a buy out of each fundraiser for \$100 each. If this obligation is not fulfilled, grade cards will be held until the fee is paid in full.

Room Parent Guidelines 2011-2012

Room Parent Coordinator & Communication

The Room Parent Coordinator, Marianne Morgan, is the liaison between the PTO and the Room Parents. If you have any questions throughout the school year regarding Room Parent responsibilities, please contact Marianne at mmorgan@concorde.edu.

Classroom Holiday Parties

Room Parents are responsible for coordinating 3 holiday parties for the classroom. Before each party, please communicate the following party information to classroom parents via email:

Halloween—October 31, 2011 at 2:30. The Halloween Parade will begin at 1:45. Following the parade, classroom parties will begin. Please follow your classroom teacher's instructions for bringing/changing into costumes for the parade. Typically, students bring costumes to school and change before the parade. Names on all costume items, as well as all uniform pieces worn that day, are encouraged.

Christmas—December 15, 2011 at 2:30. Please remember there are no gift exchanges between students.

Valentine's Day—February 14, 2012 at 2:30. Please remember there are no gifts brought for individual students. If students choose to bring Valentines, they need to bring one for everyone in the class. Please follow the classroom teacher's instructions as to how to address Valentines (leaving the "To:" line blank or filling in names). Teachers usually send home copies of the class list for names if needed.

Classroom Party Details

Please remember that our teachers try hard to keep our school days focused on learning. Although parties during school hours are exciting and fun, they should also be kept simple and aligned with the focus of our Catholic education and living a life of stewardship.

Please remind parents of any food allergies in the classroom when bringing snacks.

Parties will begin at 2:30. This allows just enough time for eating a couple of snacks, making a craft, playing a game, and cleaning up.

Please be respectful of our students' learning environment and refrain from setting up in the classroom more than 5 minutes before the party time.

Well in advance (about 2 weeks) before each party, Room Parents are responsible for emailing the craft and game ideas to the classroom teacher. This will help the teacher with preparing the class and any needed classroom supplies, as well as let Room Parents know if the game and craft are age appropriate or appropriate for a classroom party setting.

Everyone is welcome to attend the classroom parties, including younger siblings. However, please be respectful of the teacher and students, as well as the classroom and all property, when bringing younger siblings. Parents may wish to bring their own snacks for younger siblings, as the party snacks are limited to the students. Younger siblings are to be supervised by the parent at all times.

PTO-Sponsored Activities

Throughout the year, specific PTO Committees sponsor, plan, and organize several activities that are listed below. Room Parents are not responsible for planning any of these activities, although you may be asked to communicate information to classroom parents via email, as well as encourage participation.

Teacher/Staff Birthdays—PTO sponsors a once-a-month celebration for teacher/staff birthdays through Gimme 10 donations sent via email where parents can volunteer to bring snacks. The Room Parent Coordinator will also give a SCRIP certificate to the classroom teacher on his/her birthday (or half birthday) on behalf of PTO, the classroom students and their families. In addition, Room Parents may coordinate bringing treats/napkins for their classroom teacher if they choose, but this is optional and should also be kept simple, so as to not disrupt the learning environment.

Christmas—PTO encourages a teacher/staff Christmas gift using the SCRIP certificate, where each individual family may choose to participate. Details will be sent home on a flier in December through the parish's SCRIP Coordinator, Maureen Goetz.

Teacher/Staff Appreciation Days—As one of many ways to show appreciation, PTO sponsors special days throughout the school year for teachers and staff. These dates and details will be communicated by the Teacher/Staff Appreciation Committee throughout the year. Please forward any information you receive from the Teacher/Staff Appreciation Committee to your classroom parents in a timely manner via email, as well as encourage participation.

Care and Concern—PTO sponsors "Caring and Sharing" for any unforeseen events with the teachers/staff or school families, such as the loss of a loved one, serious illness, etc. If an unforeseen need arises where the whole school community is needed or would like to help, Room Parents, or ANY parent, should contact the Room Parent Coordinator, Marianne Morgan. Her responsibility is to then work with the Prayer Committee (to send a Mass intention on behalf of the school families), Gimme 10 (for meal donations, card shower, etc.), and the principal.

Please Note: It is the school's policy that parents are not to collect money for classroom parties or for individual teacher

gifts (birthday, Christmas, Teacher Appreciation, or end of the year), as all of these are already covered through either individual family donations or through the PTO/school. Through Christ's example, our teachers treat each student in their classrooms equally with love and care; in turn, we, as parents, are to treat every teacher equally, as well.

Additionally, there should not be any request for monetary collections from individual parents unless approval has been given by the principal.

First Communion Reception (3RD Grade Only)

The 3rd grade Room Parents are responsible for planning the First Communion Reception after May Crowning Mass and pictures on May 4, 2012. Corsages for the 2nd grade teachers, cake, punch, and paper goods are to be purchased out of the appropriate budget. For more information, 3rd grade Room Parents should contact the PTO Co-Presidents, Kip Morrissey and Amy Stork prior to Spring Break.

8TH Grade Graduation Dinner (7TH Grade Only)

The 7th grade Room Parents are responsible for planning the 8th grade Graduation Dinner. This dinner is held for the 8th grade students, their parents and middle school staff on the Wednesday night before graduation, May 22, 2012. All 7th graders and their parents are to help in some way on the night of the dinner. For more information, 7th grade Room Parents should contact the PTO Co-Presidents, Kip Morrissey and Amy Stork prior to Spring Break.

Virtus Training

All Room Parents, as well as any adult volunteering in the classroom or school, need to attend the Archdiocese program, Virtus-Protecting God's Children, if one hasn't already. Every volunteer needs to register at the Virtus website: www.virtus.org. Please contact the Virtus Coordinator, Tracie Kersey, at tracie.kersey@shoj.org for more information or for upcoming training sessions.

Admissions

It is our goal at Sacred Heart of Jesus School to provide a quality, Catholic education for all who desire enrollment in our school. Due to a variety of limitations or circumstances, it may be necessary to deny enrollment to some students.

Priority for admissions will be given as follows:

1. Currently enrolled students and their siblings who are in good standing, which includes:
 - Being in compliance with all school policies and procedures.
 - Being current on all financial obligations to the school (tuition, fees, mandatory fundraisers, etc.)
2. Students of active Sacred Heart Parish members, which includes:
 - Family attendance and participation at Mass.
 - A time and talent commitment to at least one parish ministry.
 - Documented financial contributions to the building fund and general parish operations.
3. Students whose parents are active members of other parishes.
4. Students of non-active registered Sacred Heart parishioners.
5. Students of non-active registered parishioners of other parishes.
6. Students of non-Catholics.

Enrollment Timeline

Re-enrollment of current school students and their siblings for the 2012-13 school year will be conducted from February 6th through the 13th.

Open enrollment will begin on February 15th and will remain open until classes become full.

Once a class is full, a waiting group will be established. Should an opening become available the list will be prioritized using the guidelines for admissions, and families will be contacted as such.

Fees due at enrollment

A non-refundable fee of \$150 per student and a \$100 per child; \$200 per family Technology fee will be due upon enrollment. Alternate arrangements for payment of fees can be made, if necessary, by communicating your request to the school principal.

TUITION AND PAYMENT OPTIONS 2011-2012

K through 8 tuition for the 2011-2012 school year is set as follows:

1 student	\$2860
2 students	\$4695
3 or more students	\$5980
Out of parish	\$4800 per student

In order to qualify for in parish tuition at Sacred Heart, each family must be a registered and active parishioner. As a school family you have a unique role in that as Christian Stewards you are called to not only support our parish through sacrificial giving but also support the school through tuition. Both of these components are necessary in order to provide an outstanding education for your child. Tuition alone does not make up the total cost of educating your child. Currently the per-pupil cost is \$4,800. Part of the \$4,800 comes from your tuition while the other part is subsidized by all Sacred Heart parishioners' sacrificial giving. Your continued sacrificial giving is vital towards the continued success of Sacred Heart School. As a Christian you are called to a life of stewardship. Stewardship is defined as the grateful response of a Christian disciple, who recognizes and receives God's gifts and shares these gifts in love of God and neighbor. Many times families ask what their giving amount should be and by setting a target number, it may not reflect a sacrificial gift for all. Jesus preached that a cheerful giver would be rewarded as stated in 2 Corinthians 9:6-8 "Consider this: whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully. Each must do as already determined, without sadness or compulsion, for God loves a cheerful giver. Moreover, God is able to make every grace abundant for you, so that in all things, always having all you need, you may have an abundance for every good work." As a family you should prayerfully consider how you can contribute to Sacred Heart Parish so that our entire community can benefit from the seeds that are sown as Disciples of Christ.

PAYMENT OPTIONS

Families must sign up for tuition payments through Tuition Management Systems or TMS a third party billing and collection service.

Current families will be automatically enrolled in TMS.

The enrollment fee will be billed by TMS and due upon receipt in order to activate your family's account.

New families are required to complete a TMS form and return to the office with enrollment fee included. Check is to be made payable to "TMS."

If a family is experiencing financial hardship, it will be the individual family's responsibility to meet with the parish pastor to make alternate arrangements for the fulfillment of their financial responsibility to Sacred Heart School.

As always, no child will be denied an education strictly because of financial hardship. However, if the second semester payment is not made by the above due date, and arrangements are not made to complete payment or establish an alternative compensation, families will not be permitted to enroll their child(ren) for the following school year until the outstanding balance is paid in full.

Financial Assistance

Monies are available for tuition assistance. Applications can be obtained from the Principal. Information provided on the application and the results of the analysis will be provided to the school's pastor to be used in determining financial aid awards. All information will be held in the strictest confidence. The Tuition Aid Analysis Service does not award aid, but may make recommendations to the pastor regarding the amount of aid to be awarded.

Tuition Management Services

School tuition is paid through Tuition Management Systems. There is an enrollment fee for this service which is initially paid during school enrollment, \$20 for two installments, \$35 for four installments, \$45 for ten or twenty installments. TMS will contact each family for rollover enrollment and fees for the subsequent years thereafter. Tuition payments can be made through automatic withdrawal from your checking

account, by credit card or mail. Payments may also be made on-line at Afford.com. In either case you can arrange for payments to be made on the 5th or 20th of the month beginning in July and running through May. A late fee of \$30 will be charged when payments are not received by due date.

Application for Admittance

Applicants will comply with Kansas law, which states that a child must be five years of age on or before August 31 to enter kindergarten, six years of age on or before August 31 to enter grade one. All kindergartners must be evaluated before the first day of school in order to meet admission requirements. Please note that Sacred Heart has a Pre-K program and is not associated with any other outside Pre-K program or institution. Sacred Heart is not required to consider these programs or institutions when assigning a student to a classroom. Students must meet reasonable academic requirements. The student and the parents must be willing and able to abide by all policies and regulations as stated in the current Student/Parent Handbook. New students will be placed on a six-week academic and behavioral probation. At the end of the six-week time frame, a conference may be held with the parents, teacher, principal, and student, to determine future status, if deemed necessary.

All children must present a state issued birth certificate and a baptismal certificate upon entering Sacred Heart Catholic School for the first time. A record of immunizations on the official Kansas Certification of Immunization form must be presented by all students upon entering any Kansas school for the first time. The students are also required to have a physical examination. All students are required by the State to be vaccinated against measles, mumps, rubella, polio, diphtheria, tetanus and pertusis (DPT), Hepatitis B, and varicella (2 doses for K, 1 dose first-eighth grade mandatory).

Conferences with Teachers

All parents are asked to attend conferences. Parents are encouraged to meet with their child's teacher anytime there are concerns. **Appointments to meet with teachers must be made in advance.** To schedule an appointment, parents may contact the teacher directly or make arrangements through the school office.

Attendance/Absences

School attendance records are an important part of permanent records. Students who attend school regularly have more opportunities to learn, and experience higher levels of achievement. In later years, college admissions and potential employers may review attendance records. The school day begins at 7:55 a.m. and dismisses at 3:15 p.m.

Sacred Heart offers before school care at no cost. Students will be allowed to enter the building starting at 7:30 a.m.

The state of Kansas imposes a duty on parents and schools to work together to ensure that children receive an education. Kansas compulsory attendance laws apply to parochial schools. When the Sacred Heart School administration sees that a student has excessive absences (more than 5 per semester), parents will be notified and efforts made to remedy the situation.

Parents of children who are ill and will be absent from school that day, please notify the school office before 8:30 a.m.

Tardiness

A student is counted tardy if he/she arrives in his/her classroom anytime after 7:55 a.m. Students who are tardy are to report to the school office before going to their classroom. Parents will be contacted if their child is consistently tardy. **Any student attending less than 3 ½ hours of class will be marked absent for the day.**

Dismissal for Illness

The school nurse will notify the parent/guardian if your child becomes ill during school hours. In case the parent/guardian cannot be reached, we will notify the person you have authorized or the doctor you specified on the **Emergency Form**. A child will be released to one of the people you have on your **Emergency Form** only if we cannot contact either parent by telephone and the child is too ill to remain in school.

Dismissal During the School Day

Any parent who is picking up his/her child during the school day must come to the school office, request the student, and sign him/her out on the sign-out form. The student will be called to the office over the intercom. Under no circumstances will a teacher release a student from the classroom, or the playground, unless notified by the office. Anytime a parent comes to school he/she must report to the school office. **No parent is to go directly to a child's classroom.** Students must return to the office to sign back in before returning to the classroom.

School Visitation

Parents/guardians are welcome to visit the school. However, anyone who wishes to visit a classroom must make a request prior to the visit. Younger siblings may visit only with permission of the teacher, and must be supervised by the parent at all times. Visitors during the school day must park in the parking lot. Parking in the fire lane is only allowed during morning drop-off and after school pick-up.

No pets are allowed inside the school building. Pets should not be on school grounds except during the annual blessing of the animals for the Feast of St. Francis.

All visitors must report to the school office to obtain a visitor's badge, which must be worn at all times while on the school premises. All visitors are required to report their destination and purpose to the front office upon arrival. You must have Virtus training to receive a visitor's badge. All Volunteers and Visitors must sign a confidentiality form stating they will not share any student information obtained while in the school.

Arrival and Dismissal

The school day will begin at 7:55. Students are expected to be in their classrooms with all materials ready by 7:55.

K-8 Arrival

Grades K-4 - Drop at east entrance.

Grades 5 -8 - Drop at west entrance.

*** Arrival entrance is determined by the oldest child.**

All cars should enter through the west entrance off of Johnson Drive and exit through the east. Students may be dropped off no earlier than 7:30 a.m. Students arriving prior to 7:50 should report to the Multipurpose Center. Students arriving after 7:50 should report directly to their classroom. Current students of Sacred Heart School are not allowed to drive on campus. Please be courteous when dropping off your students in the morning. If you need to make last minute preparations such as combing hair, putting books in backpacks, etc., please park in the parking lot.

Parents should not be walking their students to their classroom/locker after the first two weeks of school.

All students will be dismissed from their classroom at 3:15.

Parents/guardians may not wait in the school lobby or halls for their students during regular dismissal times. Please meet your child outside at the designated pick-up location.

Students in grades K through 1 who do not have a sibling/carpool in middle school can be picked up at the east entrance to the school. Students in grades 2 through 5 who do not have a middle school or K-1 sibling/carpool can be picked up at the west entrance. (A traffic diagram is attached to help coordinate the flow of vehicles.) Please do not park along the curb and leave your vehicle during the drop-off or pick-up of your child. If you need to leave your vehicle or enter the school building, please park in the parking lot.

***Current Sacred Heart students are forbidden from driving on school property at any time.**

Ride Changes

For safety reasons, dismissal/ride changes need to be **in writing** if the person picking up your child is not their normal ride and not on their emergency pick-up list. These should be turned in to the classroom teacher(s) at the **beginning** of the day.

Middle School Pick-Up

All middle school students and their siblings will be picked up at the middle school exit on Monticello Drive. All younger siblings and carpool partners in grades K-5 will be escorted to the Multipurpose Center by a school safety patrol or staff member. They will then be led outside to join their sibling/ride at the middle school pick-up area. Each group or individual student that is picked up at the middle school pick-up area must be met at the sidewalk by a parent. No student(s) will be allowed to cross the parking lot unescorted.

The outside door to our middle school can only be used as an exit. For safety reasons, if parents need to come into the school, then they must pick-up their child(ren) (so we know they are accounted for) and then park (in the Monticello or main lot) and enter the school building through the main entrance.

Sacred Heart School will not be responsible for the supervision of children prior to 7:30 a.m. or after 3:30 p.m. Any student remaining after 3:30 will be taken to After

School Care and parents will be charged our daily fee of \$14.

Classroom Placement of Student Policy

It is the professional responsibility of current grade level teachers to make appropriate student placement for the following school year. Teachers and Sacred Heart staff make student placement assignments based on their professional judgment so that each child may be afforded the optimum educational opportunity for the coming school year. Parent requests for teacher selection are not accepted.

Code of Conduct

We expect students at Sacred Heart School to exemplify Christ's teachings in word and deed. Policies and guidelines concerning behavior are directed towards the development of attitudes and actions that reflect Catholic values. The support of parents and staff, along with the constant effort of students, is vital to our success in this endeavor.

Teachers are expected to utilize a systematic approach, which enables them to set firm, consistent limits for their students, along with giving them positive support. All students will be given expectations, consequences, and positive rewards. Students must always remember that their behavior in the school building cannot interfere with or conflict with their education or the education of their classmates. All students have the right to a classroom environment that provides for optimal learning. Two areas covered by the plan include In-class Behaviors and Out-of-Class Behaviors.

In-Class Behaviors

Students are required to adhere to all rules and policies as set forth by their classroom teacher. These rules will address respect and courtesy towards others as well as organization and responsibility. No behavior that hinders the educational opportunities of others or the teachers' ability to teach will be tolerated.

Out-of Class Behaviors

HALLWAYS:

The following rules will apply to all students when moving through the hallways.

- All classes will travel through the hallways in a single file line escorted by their teacher.

RECESS:

- All students will treat others in a respectful manner and show good sportsmanship at all times. Bullying or harassing, whether verbal or physical will not be allowed. Such actions may result in the loss of recess privileges.

Playground Rules

The playground is reserved for school use only between 7:45 a.m. and 4:30 p.m. Monday-Friday. Children may play on the playground with adult supervision outside of those hours. Please be aware our school parking lot is

utilized during recess and P.E. class. Refrain from parking or driving in these areas while school is in session.

- Students are not to play in the entryways to the building, on the grass in front of the building or in the flowered areas around the flag pole and statue of Mary.
- Act in a safe manner.
- No fighting, shoving, kicking, etc.
- No throwing of rocks, clods, or other objects.
- Remain in designated playground areas.

Use good sportsmanship at all times.

- Play cooperatively
- Play by the rules

Be respectful of school property.

- Students are not to climb or hang on fences or basketball goals.
- All equipment (balls, jump ropes, etc.) should be collected and put away at the end of each recess.

Restrooms

Students must obtain permission from the teacher to use the restroom. No running or playing is allowed in the restroom. Used paper towels are to be thrown in the trash can. Flush toilets after use.

Discipline

A primary goal of Sacred Heart School is to develop students who are self-disciplined. Students are given the opportunity for freedom and responsibility. If that freedom and responsibility is abused, he or she must learn to accept the consequences.

The basis for all rules of conduct stem from the fact that teachers have and must maintain the right to teach all students and all students have and must maintain the right to learn. Any action that interferes with this basic statement must be dealt with in an age appropriate manner.

Actions that are disrespectful or un-Christian are not acceptable at any time during the school day and will receive immediate punishment. This includes but is not limited to the following:

- Comments/actions that are rude or hurtful to others.
- Comments/ actions that show a general disregard for authority or the education process in general.
- Inappropriate behaviors at mass or during prayer.

Actions or comments that are or can be reasonably perceived as being indecent, profane, or vulgar have no place in our school. Such actions will be dealt with severely.

Any physically aggressive behavior directed towards another individual will not be tolerated. Violation could result in immediate long-term suspension from Sacred Heart School or expulsion, depending on the severity of the offense.

Detentions

Students may be assigned to a detention before school, after school, or during the lunch period. Failure to report to an assigned detention may result in the student being placed in an in-school suspension.

Non-Compliance

A student is non-compliant if they consistently fail to adhere to Sacred Heart standards of conduct. The school may take any action deemed appropriate.

Outside of School Violations

Unlawful activities that occur outside of school may result in the student being suspended or expelled.

In-School Suspensions

A substitute teacher will be hired for students who are assigned to an in-school suspension. **Parents will be responsible for providing a check in the amount of \$90 to cover the cost of this substitute. The student will not be allowed to return to school until this payment is made.**

Out-of-School Suspensions

Out-of-school suspension may be used to remove a student from the school setting when that student's actions have been detrimental to the educational, moral, or physical well being of others. While on out-of-school suspension, a student's work will be made available to them so that they will be prepared to return to class after their suspension is served. **No credit will be given for any assigned work or test given during the suspension.**

Before a student is admitted back to school, a meeting will be held with the principal, parents, and teachers to develop a behavior contract for the students. Failure to comply with this contract could result in the student being removed from Sacred Heart School.

Expulsion

Final expulsion of a student may occur when warranted by the seriousness of a student's actions, or when the student has shown open disregard for school authority to the point that it is detrimental to the education of others.

Immediate suspension or expulsion will result for the following offenses:

- Possession and/or use of drugs, alcohol, or tobacco products at school or school sponsored functions.
- Possession of a weapon (any instrument used to harm another individual).

The administration reserves the right to carry out disciplinary measures for any offense or misconduct related to school, even though not specifically listed above.

Student Endangerment

If a situation arises where a student, teacher, or any other person on school premises is threatened or put in a life - threatening situation, local law enforcement officials will be contacted immediately.

There is a written Archdiocesan Policy that mandates procedures for this action – all schools must comply with this policy.

Anti-Bullying Policy

I give you a new commandment: love one another. As I have loved you, so you also should love one another. John 13:34

Sacred Heart of Jesus Catholic School is committed to providing a Catholic, faith filled environment for all students, employees, volunteers and patrons in which Christ-like behaviors are ever present. This Catholic environment will be free from harassment, intimidation or bullying. If any such behaviors do occur, all community members will be able to tell and know that the incident is unacceptable and will be dealt with effectively in a Christ-like way.

Definition: "Harassment, intimidation or bullying" means any intentional written, verbal, or physical act, when the intentional written, verbal, electronic, or physical act: physically harms a student or damages the student's property; has the effect of substantially interfering with a student's education; is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or has the effect of substantially disrupting the orderly operation of the school.

Harassment, intimidation or bullying can take many forms including: exclusion, teasing, slurs, rumors, jokes, innuendoes, demeaning comments, drawing cartoons, pranks, gestures, physical attacks, threats, or other written, oral or physical actions. "Intentional acts" refers to the individual's choice to engage in the act rather than the ultimate impact of the action(s).

Counseling, corrective discipline, and/or referral to law enforcement will be used to change the behavior of the perpetrator and remediate the impact on the victim. This includes appropriate intervention(s), restoration of a positive,

Christ-like environment, and support for victims and others impacted by the violation. False reports of, or retaliation for reporting, harassment, intimidation, or bullying also constitutes violations of this policy.

Prevention

1. Sacred Heart of Jesus Catholic School will communicate with all students, employees, volunteers, and patrons that bullying behaviors (**including cyber bullying**) will not be tolerated.
2. Bully prevention (**including cyber bullying**) lessons will be taught regularly through counseling and classroom activities.
3. School rules are posted, and students/parents will sign the school handbook.
4. Religion classes will support the teachings of Jesus and Christ-like behaviors.

Procedures

1. Report of incident is made to a trusted adult.
2. The incident is reviewed, and appropriate measures are taken to correct the situation.
3. Reconciliation of students is the goal.
4. Each incident will be monitored to ensure repeat offenses do not occur.
5. If such incident reoccurs, measures taken are at the discretion of the school's disciplinary committee and/or principal.

*A student may anonymously report bullying behavior via our webpage at <http://school.shoj.org/>.

Damaged Property

Students are expected to take care of school property. If a window is broken or property is damaged by students through carelessness or malevolence, he/she will be responsible for paying the repair costs. All fees will be cleared through the principal's office.

Homework

Teachers will appreciate knowing if children are having undue amounts of homework. Extracurricular activities are not an acceptable excuse for incomplete homework assignments.

Important: If you wish to request your child's work on a day that he/she is absent from school, please contact the school before 10:00 a.m. in order for this request to be filled. You may email the teacher or call the office to leave a message on the teacher's voice mail. You may also check the class website for homework if you have a middle school student. Please indicate whether you will pick up the child's homework in the front office at 3:15, or if you wish it to be sent home with another student. (Give the student's name and which class he/she will be in at the end of the day.)

Vacation Homework Makeup

Makeup work will be given upon returning from vacation if vacations are taken during school times. Students on vacation are responsible for all work missed. Teachers are not required to provide vacation makeup work to students prior to the vacation. Parents are encouraged to use school breaks for family vacations.

Educational Field Trips

Educational field trips are scheduled by classroom teachers, through the principal, at various times during the school year. One class at a grade level, because of limited space availability, may take individual field trips. The field trip is to be a learning experience. Field trips are privileges afforded to students. No student has an absolute right to a field trip. Students may be denied participation in a field trip if they fail to meet academic and behavioral requirements. A permission slip must be signed by a parent/guardian and returned to school. A verbal consent will not be accepted. The following will be on each permission form concerning a field trip:

I hereby release Sacred Heart Catholic School, the Superintendent of Schools of the Archdiocese of Kansas City in Kansas, and all of its official representatives from any and all liability in case of accident or injury involving the above named student related to the school trip.

Due to safety concerns busses will be the preferred mode of transportation. Some field trips require transportation provided by parents. Each vehicle must be equipped with enough seat belts for each student. Parents are discouraged from bringing children under school age. Each driver must have an Archdiocese Insurance form completed and filed in the school office before leaving school property. Field trip drivers must be Virtus trained.

All students are expected to attend and to pay the necessary expenses associated with the field trip. If the field trip fee is a financial hardship, please contact the principal.

Extracurricular Activities

Sacred Heart School participates in the Catholic Youth Organization (CYO) Sports Program for parishes in Wyandotte and Johnson counties. The athletic program is for boys and girls in grades third through eighth. Volleyball, Football (grades 5-8th), basketball, and track are offered. practice clothes. A boy or girl must attend Sacred Heart Catholic School, or their parents must be members of Sacred Heart Parish. A boy or girl of another parish that is not a member of the CYO is eligible upon approval of the CYO Director. The CYO fees are announced prior to the start of the season and all fees go to the CYO office to defray expenses of programs. No fees are retained at the local level. All boys and girls competing in the CYO program must have a Parental Consent form completed and signed by parent/guardian; forms are kept on file in the CYO office.

Classroom teachers teach sacramental programs to students who are to receive the sacraments of Reconciliation, First Eucharist, and Confirmation.

Human Sexuality Formation Program

The Archdiocese of Kansas City in Kansas recognizes that parents have the right and responsibility to teach their children about family life. Biology-based sexual education will occur in the eighth grade. Our Religion and Science teacher will teach a combined curriculum based on the Theology of the Body program.

School Closings

Weather Policies for Johnson County Catholic Schools:

Snow and Ice: In the case of inclement weather, the notice will read “**All Catholic Schools in Johnson and Wyandotte County Will Be Closed.**” Once school is in session, all classes will remain in session until the regular dismissal time. Parents/guardians who wish to pick up their child(ren) early may do so at any time by reporting to the school office and asking that the child(ren) be called from the classroom(s). Parents will also be notified via text message.

Emergency Evacuation

In the event of an emergency that would necessitate the evacuation of Sacred Heart School, all students will be taken to Clear Creek Elementary School, 5815 Monticello, Ph # (913) 422-8700. Every effort will be made to contact each parent should such a situation arise.

Sexual Harassment Policy

Sexual harassment is demeaning, both to the victim and to the harasser. It violates our Christian values, and it is prohibited by law under Title VII of the 1964 Civil rights Act and Title IX of the Education Amendments of 1972. Those who engage in sexual harassment could be subject to disciplinary and possibly legal action. All faculty, staff, students, visitors, and volunteers are responsible for ensuring that they are not harassed, that people around them are not harassed, and they themselves do not harass others. Sexual harassment includes, but is not limited to, the following behaviors:

- verbal conduct such as epithets, derogatory jokes or comments, slurs, or unwanted sexual advances, invitations, or comments;
- visual contact such as derogatory and/or sexually oriented posters, photographs, cartoons, drawings, or gestures;
- physical contact such as assault, unwanted touching, blocking normal movement, or interfering with work, study, or play because of sex;
- threats and demands to submit to sexual requests as a condition of continued employment, grades or other benefits, or to avoid some other loss, and offers of benefits in return for sexual favors;
- retaliation for having reported or threatened to report sexual harassment.

What should you do if you are being sexually harassed? First, tell the harasser clearly that you don't like this behavior. It is offensive to you, and you want it to stop. If it is difficult for you to confront the harasser, ask for help from a teacher or the principal. Second, document what happened. Write down the time, place, what occurred, who was involved, and the specific

behavior you found offensive. Third, report the sexual harassment to the principal if it continues.

Student Insurance

Each child in Sacred Heart School (kindergarten through eighth grade) is automatically covered by a Student/Athletic Accident Program through a plan provided by the Archdiocese. The cost of this insurance is included in your tuition. This insurance plan is considered “secondary insurance.” If a family has no other health insurance coverage, it will be considered as “primary insurance.”

Student Records

Student records are divided into three categories and kept in the following manner:

Permanent Record Card: This file card contains all year-end grades your child has earned at Sacred Heart Catholic School and a printout of all national standardized test scores (e.g. Iowa Test of Basic Skills). This card also contains dates of initial sacramental reception. Upon a student's graduation or school transfer, this card remains filed on a permanent basis at the school.

Cumulative Student File: This file contains samples of a student's work at various grade levels, report cards, teacher recommendations, standardized test profiles and any other information pertinent in aiding a student's academic growth. When a student graduates or transfers to another school, this file will be mailed on to the next school only upon written request by the office of the school the student is to attend. The student's Cumulative File will be destroyed if a request for these records is not received within one year from the date of transfer or graduation.

Student Health File: This file contains all information pertinent to your child's health. Results of hearing and vision screenings, immunization records, etc., are part of this file. These records are kept, transferred, or destroyed in the same manner as cumulative student files.

All the aforementioned records are school property and must remain on school premises according to law.

Parents/Guardians wishing to review these records may do so upon request through the school office.

Transfer of Records Policy

Transfer of student records, including health files, must be requested in writing by the student's receiving school. This is a State Law. All applicable tuition and fees must be paid in full before any student records can be transferred to another school.

Textbooks

All student textbooks are to be treated with respect and care. Hardcover textbooks are very expensive and reused from year-to-year. The student must pay for textbooks that are damaged or lost by the student during the school year. The principal will determine the cost of repair or replacement.

Health & Medicine

All medicines are to be brought to the nurse's office, where they will be kept and dispensed according to label instructions and the discretion of the school nurse. No medicines, cough drops, etc. may be kept in the classroom or in lockers.

Prescription Medications:

All prescription medication that needs to be given to a child during school attendance must be provided in the original pharmacy container and appropriately labeled with the name of the child, medicine and dosage. This will serve as the physician's signature. Prescription is to be current. If a change in type of medication or dosage is warranted, documentation by the child's physician is required. If it is necessary for a student to retain possession of medication (i.e. inhalers), this must be discussed with the school nurse, and approved by your child's physician. No prescription medication will be dispensed unless these conditions have been met. This is a Kansas State Law.

Non-Prescription Medications:

School personnel must have parent consent via Prescription Medication Authorization Form to dispense non-prescription or "over-the-counter" medications. This includes but is not limited to Ibuprofen (Advil, Motrin), Acetaminophen (Tylenol), cough syrups, cough drops, Neosporin, and hydrocortisone cream. Non-prescription medication will not be dispensed without parent consent.

School Health Policy for Students Who are Ill

When a student has a temperature of 99.6 degrees or higher, he/she will be sent home from school. The student must be fever-free (99.5 degrees or below for 24 HOURS without Tylenol or Advil/Motrin) before returning to school.

Also, if the student is ill with vomiting or diarrhea, please keep him/her home until these symptoms are not present for 24 HOURS.

Following these guidelines will help us keep all students, faculty and staff members' healthy—thank you!

The foremost purpose of the Catholic education system is to instill in young people the faith and values that enable them to become devout followers of Christ. Through that faith, a young person can then become a productive, caring, empathetic member of society and fully live out Christ's teachings: To love our God, and to love our neighbor as we love ourselves. Our approach to behavior in a Catholic school community is a balance of reinforcement, a system of fairness and consistency, the building of virtue and character, and a loving approach in light of our Christian values. We aim to teach young people to view their actions in light of their faith and to make decisions about their life accordingly. We aim to focus on the child as a whole, with a life-long vision for success. To properly pass these values and behaviors on to our children, educators and parents must also be living examples of Christian discipleship, remembering Christ's words:

"Let the children come to me; do not stop them. For it is to such as these that the Kingdom of God belongs." Mark 10:14

"Preparing Minds for the Future, Souls for Eternity"

The foremost purpose of the Catholic education system is to instill in young people the faith and values that enable them to become devout followers of Christ. Through that faith, a young person can then become a productive, caring, empathetic member of society and fully live out Christ's teachings: To love our God, and to love our neighbor as we love ourselves. Our approach to behavior in a Catholic school community is a balance of reinforcement, a system of fairness and consistency, the building of virtue and character, and a loving approach in light of our Christian values. We aim to teach young people to view their actions in light of their faith and to make decisions about their life accordingly. We aim to focus on the child as a whole, with a life-long vision for success. To properly pass these values and behaviors on to our children, educators and parents must also be living examples of Christian discipleship, remembering Christ's words:

"Let the children come to me; do not stop them. For it is to such as these that the Kingdom of God belongs." Mark 10:14

Main Objective: We aim to teach young people to view their actions in light of their walk with Jesus and to make decisions about their life accordingly.

Goals of Young Disciples:

To instill the faith, knowledge, and virtues needed to become life-long followers of Christ,
To ensure the safety of staff and students, and
To create an environment conducive to learning

Young Disciples Behavior Form

In working to keep our school environment safe and free from distractions, the following steps are put in place. The implementation of these consequences allows us to create an optimal learning environment for our students. This learning environment and our proactive approach to discipline, based

on the teachings of our faith, supports our mission; “Preparing Minds for the Future, Souls for Eternity.”
