** No School on Good Friday or Easter Monday, April 2 and 5

Please remind your students to keep water bottles away from books. Often a water bottle will be placed in the backpack with the books and water will leak onto the books. There have been quite a few water damaged books returned to the library in the past few weeks. Please use outside pockets on the bags or carry the bottle separate. Even the tight-fitting water bottles have been known to have accidents. Thank you for your cooperation.

It is that time of the year again to start thinking about the End of School. Can you believe it? And the last day of school would not be the same without our End of School Video. We are looking for photos to be considered for the video. Our school is growing so we will really be limited the number of photos will just one student in them. Here is what we are looking for:

1. Photos with multiple students at Sacred Heart or a Sacred Heart event. Please avoid photos of outside events where not all students were invited.

2. Close up photos are best. Photos taken from far away cannot be seen well in the video.

New this year..... NO PHOTOS ARE GOING TO BE RECEIVED BY E-MAIL. Last year, there were so many photos that it crashed my computer.

To submit photos this year, you can:

1. Burn them to a CD.

2. Place them on a jump-drive (marked with your name to be returned to you) Please submit CD or Jump-drive to the front office no later than April 15th.

If you have any questions, please contact Denice Weybrew at 422-0764 or pweybrew@kc.rr.com

FLOWER POWER FUNDRAISER DEADLINE HAS BEEN EXTENDED TO THURS., APRIL 1!!!

Please join us at the 2010
