Preparing Minds for the Future, Souls for Eternity

### Important News for this Week!!!!!!

Hello Everyone,

Friday, August 20, 2010

Welcome Back! We are so excited to have students back in the building and we are looking forward to a great year. Just a couple of notes:

**Please** join us for an assembly with acclaimed local artist Michael Dubus (Many of you have seen his artwork at St. James Academy) on August 26<sup>th</sup> at 9:00 AM. He will be coming to our school for an interactive all school assembly. This painting performance will feature Father Craig thoroughly teaching our students about our theme while Michael Dubus paints to music. We really think this is going to be a special performance and we would love to have you share this experience with us.

#### Upcoming Dates

We ask that you no longer decorate your child's locker for their birthday. I know many of you enjoy doing this, but I have talked to numerous parents, students, and staff over the past years that have concern with this practice. Many children feel left out and excluded if their locker is not decorated. So, we have created a treasure box in the front office to acknowledge everyone's birthday. If it is your child's birthday or half-birthday they are invited to come and choose a small gift from our school. Of course, your child is still welcome to bring a birthday snack if they wish. Thanks for working on this with us. We just want every student to feel special on their big day!
