JMJ

Dear Sacred Heart Parents,

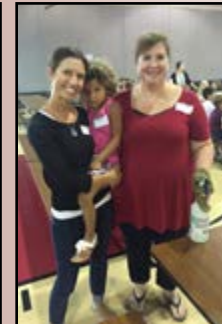

What would we do without you! For the past four weeks, numerous parents have helped us with smoothest start of school I can recall. The list of what you have done is rather lengthy. Because I don't want to forget someone (and I would feel terrible), I won't list everyone and everything you've accomplished in this memo. You know who you are. You know how you have helped us. In fact, you probably don't want recognition. (Humility and goodness is a virtue that our parents have, for sure!)

Please know we are grateful...WE LOVE OUR SACRED HEART PARENTS!

In the Triumph of God's Great Love,

Maureen Engen

Principal

Thanks to the volunteers who help us during lunch!

October 2015

Sacred Heart of Jesus Catholic School

Preparing Minds for the Future, Souls for Eternity

21801 Johnson Drive Shawnee, KS 66218 - (p)913.422.5520 - (f)913.745.0290 - school.shoj.org

NOTE: The September Lunch Calendar is still available online for viewing.

1st Quarter Theme: *Merciful Eyes*

Help me, O Lord, that my eyes may be merciful, so that I may never judge from appearances, but look for what is good and beautiful in all people. May I see the good so that I never speak negatively of anyone but have a word of comfort and forgiveness for every person.

October Lunchroom Volunteers

The SHOJ teachers/staff would greatly appreciate your assistance in the lunchroom! Please consider giving of your time to support our parish school staff and students. What a fun and simple way to get involved and interact with students, while helping our teachers have a much-deserved lunch break during their very busy day! We sincerely thank you in advance for so graciously giving of yourself and serving in this way! Please click on the link below:

Mrs. Russell's class is hard at work in the computer lab practicing Spanish in Rosetta Stone.

Rosetta Stone at Home!

New this year, all SHOJ students will have access to Rosetta Stone to learn Spanish. Not only will they have dedicated time at school to learn, but all students have the opportunity to access their accounts at home via computer, tablet, or smartphone! Installation instructions are very easy, and a link to detailed instructions is available below.

Tablet installation: iPad, Android, PC, Kindle Fire...go to the tablet's app store and download the FREE Rosetta Stone App. (NOT A PAID APP)

Once installed, you will:

- select the Education/Enterprise option
- enter your student's username
- enter your student's password
- enter "sacredheartshawnee" for online portal.

[CLICK HERE](#) for more detailed information from Rosetta Stone.

Headphones and microphones are not necessary for tablets or smartphones. If you wish to use Rosetta Stone on a laptop or desktop computer, you may need to purchase a USB headphone/microphone combo. The web address for online access to Rosetta Stone is:

<https://sacredheartshawnee.rosettastoneclassroom.com>

★ Academic Excellence & Achievement ★ Highlights of September

3rd Grade - Third grade students are busy writing their first opinion piece, rounding numbers, and studying Saint Paul.

4th Grade - Fourth grade students are focusing on beginning their Specialty Project. Each student becomes an expert in one particular topic throughout the year. They are also starting an in-depth study of the 10 Commandments.

5th Grade - Fifth grade students are beginning to learn about the Seven Sacraments in Religion. The students are learning how they grow closer with Jesus when they celebrate these Sacraments because they receive his special graces.

SHOJ Staff Quick Shot

Sarah Hart

5th Grade Teacher

Favorite Work of Mercy: "To comfort the sorrowful"

I never want to see someone in pain or hurting and so I feel it is my job to help anyone who is suffering or upset. When we can be there for someone in times of sadness, we are showing them that there is always someone to turn to and hopefully they can see Christ's light in us.

Favorite Quote: "If you judge people, you have no time to love them."

-Mother Teresa

What You Might Not Know: I absolutely love to cook. I collect cookbooks and love trying new recipes whenever I can. It is especially fun for me to cook with my son, Sam, and hopefully he will learn to love cooking as much as I do.

CPS Corner

Rectory Meals

This year we have the opportunity to welcome Father Pat and Father Dan to Sacred Heart of Jesus by offering them a Rectory meal twice a month, provided by our Parish families as part of our Pillar of Stewardship.

We are asking families to donate gift cards to local restaurants. Please feel free to send in a gift card from your favorite restaurant or use the local suggestions from the office. For more information regarding meals, please visit our sign-up genius:

<http://m.signupgenius.com/#!/showSignUp/20f084faaa72fa02-rectory/372490>

Upcoming Events

Box Top Collection - October 5th

We will begin collecting box tops for our classroom contest of earning the most box tops on October 5th.

Sacred Heart School Rosary:

Our school is built on a rich foundation of prayer and love for this community. As children of God, we call on Him with our joys and sorrow through the intercession of The Most Holy Mother of Jesus, Mary. Please join your Sacred Heart community by volunteering to pray a daily rosary for a blessed 2015-2016 school year and for our incredible members of the staff, teachers and our spiritual leaders, Father Pat and Father Dan.

It is easy to participate, just use the link below to get started.

Please contact DeAnn Sajdak, rosary coordinator, with any questions you might have. Her contact information is dkmmonty@yahoo.com.

Give Back, Give Blood!

TEAM EMILY

Phillipians 4:13

Sacred Heart Parish

Thursday, September 24

12:00 p.m. - 7:00 p.m.

5501 Monticello Road

Meeting Rooms 1 & 2

In the fall of 2013, Emily was diagnosed with Non-Hodgkin's Lymphoma. She battled the cancer through chemotherapy treatments and a stem cell transplant. Emily and her family began to run out of options for treating the cancer, but soon she learned of a clinical trial through M.D. Anderson. One month after the trial started, the scans have shown no evidence of cancer.

Emily and her family remain cautiously optimistic about this innovative way of treating cancer.

Through all of the treatments, Emily received over 40 blood and platelet transfusions. Hosting blood drives is just the first step Emily takes to help save the lives of others with life threatening diseases like hers.
