UPCOMING EVENTS

Dear SHOJ Families:

I am often a little behind heading to Mass. Today I was walking over with a student who had arrived late. I asked her if she had a special prayer intention for Mass. She replied quickly for Mrs. Kulik and her baby.

All during Mass I kept reflecting on how our Catholic Faith is the foundation of everything. Fr. Pat's homily talked about the excitement of the Championship parade but he emphasized that God doesn't care if we play in the Superbowl, but truly cares about each of us doing our best each day.

As I was an Extraordinary minister at Communion, I prayed that each person who received Jesus, the one who's birth we celebrated just a few weeks ago and the Presentation last Sunday where we heard grew with wisdom and grace, would become the foundation of everything in our lives.

Having finished up Catholic Schools Week, celebrating so many gifts, talents and treasures, I hope it is not lost in our classrooms, our families or our hearts, the reason that we are celebrating – we are able to teach about God, pray and learn to live in His hope. During the DailyRosary.net meditation today we were reminded to reflect on God being our Father and His Divine Providence: 1) nothing can happen except what God wills or allows; 2) everything God allows or wills, He will turn to the greatest good for those who love him; and 3) total reliance upon God does not dispense us from doing our part.

Let's continue to pray for each other and all our needs but mostly that we continue to have this focus every day at Sacred Heart. Our next Parent Rosary to pray specifically for our community will be Friday, Feb. 21 at 2:40. Please join us in the church narthex or send you intentions to kathy.rhodes@shoj.org.

Be the Light of Christ,

Kathy Rhodes

2019 Brown Bottle Proceeds Update

The secondary entrance floor plan options have been reviewed and a preliminary choice made. We are currently obtaining estimates of cost and will make a request for bids within the next couple of months. We want to also consider options for contractors to keep costs under control. The target of completion is this summer.

With the funding of the playground equipment in mind, we have sought out options for either playground equipment additions or removal/replacement of existing equipment in the large playground area. We have received some options at the beginning of February that are being reviewed by staff. Costs will include having the correct material and ground work under this equipment.

We will continue to update everyone as these progress
