UPCOMING EVENTS

May 8, 2020

Dear SHOJ Families:

What do you remember about your teachers? I remember in 4th grade when she asked who was talking and I admitted it and promptly had my desk moved to the hallway. I remember the day my kindergarten teacher let me have my baby brother come up for show and tell. I remember my 8th grade teacher letting us watch the World Series in class. I remember the day I ran into my fifth grade teacher down here and she recognized me.

Teachers make a difference. We know that parents are the first teachers of our children. I remember when my oldest was 2 or so and I was cleaning the shower, he said, "thanks for cleaning the shower." I know he was modeling what he had learned from his dad. We always say that we partner with our parents and this year that is more true than ever. Thank you for being great teachers and partners. Also thanks for all you did to show appreciation to the teachers at SHOJ. I know that your efforts and kind comments through this process has made them feel special.

Please see the newsletter for the plans for the next few days of learning and the end of the school year. As you can imagine, things are still in flux in many ways. I will try to get out updates every two weeks or so this summer to keep you posted on what the plans are. We are working hard to ensure that the 20-21 school year will be the best yet.

What's Coming Up?

We have a couple of weeks of school left and we want to share with you what to expect over these last couple of weeks. Teachers have signed up for times to go to the school and gather all the students personal supplies from their desks to combine with all their supplies that have already been bagged up by the facilities staff (thanks Mr. Billquist and crew). We will have more information with regards to pick up in a follow up email next week. Be sure to look for that!

May 11 -15 will be a 'regular' week of school.

May 18th and 19th (Mon & Tues) - Final assignment reflectiosn and Zoom goodbyes with classmates. (Pickup of student supplies will likely happen on either or both of these days)

May 20th - All School Mass and Field Day activites (from home). See below to submit a picture for the year-end video

May 21st - Check out the end of the year video and start having a great summer!

End of the Year Video

We would like to put together a video for the end of the school year. We woud like to include pictures from your time learning at home. Mr. Chapman has created a digital drop box for you to drop a picture or two into. What are we looking for? Pictures of:

1. Your Art Projects
2. Your PE and Field Day Activities
3. Showing how you have been learning from home

Please, no more than one picture for each category. Due to limits on the size of the digital drop box and the overall length of the video, we ask that you please limit the number of pictures you submit. Mr. Chapman asks that YOU pick the best one (and don't make him do it).

Here is the link to the drop box:

Thank you for your help in creating these special memories!

Summer Tutoring and Piano Lesson Resources

Every summer several SHOJ teachers enter into private agreements with parents for tutoring support for students going into Kindergarten through 8th grade. The school shares this information with the entire community as a resource. This summer they will still offer tutoring services for those parents who chose this for their child. Parent goals vary from retaining skills learned, strengthening skills taught from the current year, or just having a regular academic focus in the summer schedule. Piano lessons from Ms. Boone are also available for any students interested in learning a new instrument. You can reserve a time with one of the teachers listed they will notify you of all additional information, including location.
