## August 23, 2019

Dear Families,

I love being outside at drop off. It is great to observe the rituals families have in the morning. I love hearing the students echo back to their parents what they just said. It is amazing how our kids learn from what we do. My husband often shows gratitude for things like doing the laundry and cleaning the shower – one of my precious memories is my little 2 year old Paul thanking me in the midst of a long day of house cleaning for cleaning the shower. Kids really do learn most by what they see and hear.

When I am not talking to someone driving home from work, I often observe how many people are chatting away on their phones in their cars. I was lucky that I didn't have a cell phone that I could talk on when my kids were young. It would have been hard for me to resist that temptation and I may have had several more moments when my children imitated what I said that wasn't a proud moment for me.

As we are in the midst of MAPs testing, it is sometimes easy to say something like "I was never good at math either." We want to encourage and show empathy with our kids in a way that promotes best effort and growth mindset. All our children need to hear from teachers and parents that they are developing into what God wants them to be and we are interested in that process.

Be the Light,

Kathy Rhodes

### School Messenger - Text Alerts

We will be implementing text message alerts along with our School Messenger phone calls (you receive on Sunday nights). There were some issues in the past with certain phone numbers not working correctly. That should all be corrected now.

Expect to receive a text message from SHOJ on Monday evening, August 26th, from the number 67587. If you have not received a text message from us before, you may receive an opt in message first. Follow the instructions to continue to receive texts from us.

You may also opt in of your own accord by simply texting the word "yes" to 67587. Standard message and data rates will apply.

## UPCOMING EVENTS

- All School Mass @ 8:15am  
Aug. 28th
- SkyZone Family Fun Night  
Aug. 29th
- Labor Day - No School  
Sept. 2nd

# CPS Corner

## Save the Date!

Our first CPS meeting will be September 16th at 6:30pm. Susan Rome will join us to discuss mental wellness and children.

We hope you can join us!

## Sky Zone Family Fun Night!

Join us Thursday night, August 29th at Sky Zone to celebrate the start of a new school year. Make new friends and reconnect with old ones. See you there!

## RCIA

RCIA Info Night: Do you know someone who is considering becoming Catholic? RCIA Information Night is on Tuesday, August 27 at 7:00 p.m. in Meeting Room 1. No RSVP required.

## SPIRIT WEAR

Spirit Wear Order Forms are linked on the Parent Tab of the school website.

<http://school.shoj.org/parents/>

## Room Parents

If you would like to help out in your child's classroom, please sign up to be a room parent. Our first CPS meeting is September 16th at 6:30pm. By clicking on the following link, you can help out with holiday parties, classroom activities and more!

<https://www.signupgenius.com/go/4090E4FABA62DAAF49-room1>

## Brown Bottle

SAVE the date! The 49th Annual Brown Bottle Dinner and Auction will set sail on Saturday, November 2. Ship doors open at 6:30 p.m. for food and drink, with the live auction starting at 8 p.m. followed by drinks, dancing and fellowship until 11:30.

## Photography Release

We love to market our school and show the community what we have to offer at Sacred Heart of Jesus Catholic School. To do that, often times we use pictures of our students and staff. To make finding, taking, and using the right picture easier, we ask that you please complete the photography release form for your family and return it to the front office. It is attached to page 7 of this newsletter. Thank You!

**(913) 422-5520**

# Yearbook Club Sign-Up Form

## 2019-2020

**Yearbook Club will meet Wednesdays from 3:30-4:30 p.m.** in the school Computer Lab. Yearbook Club will **begin Wednesday, September 11.** *Students should gather in the front lobby at dismissal time, and wait for Mrs. Barragree to escort them to the computer lab.* Parents, please pick your child up at the **Middle School side** parking lot at 4:30 on Yearbook Club days.

Students in 5<sup>th</sup>-8<sup>th</sup> grade are eligible for Yearbook Club. Yearbook Club will be limited to 20 students per semester. Older students will be given preference if there are more than 20 students wanting to join the Yearbook Club. A “waiting list” will be established if needed.

Yearbook Club members will work with Mrs. Barragree to create the 2019-2020 Sacred Heart School yearbook. They will use computers and digital cameras, select and organize photographs, take some photographs, and decide what words should be used to best express our school year. They will also help decide what cover to use and what sections to include.

Yearbook Club members need to be responsible, reliable, enthusiastic, and willing to work as a team.

We are very excited to offer this free activity for Sacred Heart students! It has been a great success in previous years.

Please complete the form below, cut it off, and return it to the front office or Mrs. Barragree on or before **Wednesday, August 28**, if you are interested in joining Yearbook Club.

# After School Coding Club

Where	Sacred Heart School
When	Wednesdays, 3:20 to 5:00 PM
Start Date	28 August 2019
Length	6 Weeks
Cost	\$125 per session
Registration	<a href="https://www.ciyclub.com/ciyclub-sacredheart">https://www.ciyclub.com/ciyclub-sacredheart</a>
	Open for Fall

Dates
8/28
9/4
9/11
9/18
9/25
10/2

Session size limited to 18 Coders

For students in grades 1 through 8, the CiY Coding Club is for anyone interested in developing the next great app or game. Become creators, not just consumers! New this year are longer sessions and parent visit scheduled for the last 30 minutes of the last club!

Coders will explore multiple programming concepts and tools from the basics to application development as they move through various activities to become proficient in game design, website design, 3D printing, robotics, HTML/CSS, JavaScript and more! All of the activities are structured in such a way that will allow coders to take their accounts home to continue to improve their skills.

For questions or any issues with registration, contact Rob Ochs:
